From: Wayne Freeman
Subject: Grouped Transportation Opportunity Schenectady County
Date: February 16, 2012

The Department of Health (DOH) has analyzed data collected by Medical Answering Services (MAS) and identified non-emergency Medicaid transportation trips from geographic areas within **Schenectady County** that can be combined and done in a larger vehicle at the same time or grouped together to achieve an overall transportation cost savings and improved customer service. We anticipate grouped rides being provided for up to ten persons at a time; however the number of people transported at any given time will vary by the time of day or day of the week.

Identified Trips

Non-emergency Medicaid taxi trips to and from **Schenectady County to Albany County.**

The common areas for pickup and drop off within **Schenectady County** may be one address or multiple addresses within a close proximity.

A sample of taxi trips **authorized by MAS during January 2012** follows. The list of sample trips is sorted and subtotaled by date and time to show the individual taxi ride assignments that fit these criteria. For all trips listed, unless there is a hospital admission or other unforeseen circumstance, there is an associated return trip for each individual later in the day. The number of trips per day may vary and at no time can either MAS or DOH guarantee the number of trips per day. Additional taxi trip information for trips originating in Sullivan County with destinations in Orange County is available upon request.

Type of Service

The services provided will be for individuals with standing orders (recurring transportation) to and from the same location within each geographic area described above. Additionally, Medicaid enrollees within the geographic area may have additional medical appointments or daily trips that lend themselves to taking advantage of the lower cost transportation to be provided.

We envision the transportation for Medicaid enrollees to be grouped by pickup time, pickup address and destination. There will be some enrollees having trips that will be appropriate for a fixed schedule.

Will-call return trips and other trips with a fixed return time from **Schenectady County to Albany County** may be grouped so that the return trip rides are available at fixed times or other agreed upon times approved by DOH.
