**Subject: Livery Preferred Provider Opportunity for NYU Langone Brooklyn Facilities**

The New York State Department of Health has analyzed data collected by MAS and is offering an Livery Preferred Provider Opportunity (PPO) for NYU Langone Brooklyn facilities (see list of facilities in figure 1).

The PPO includes non-emergency Livery transportation for Medicaid managed care enrollees for inbound trips, round trips and discharge trips.

One Livery provider will be selected. A flat rate will be paid for each enrollee transported.

All assigned trips must be honored with a pickup of no more than 90 minutes from the time of request by MAS. Failure to comply will result in a full evaluation of the PPO.

Attached is three months of trip data for Livery transportation. The data does not guarantee future trip volume.
