**Date: May 22, 2019**

The New York State Department of Health (DOH) is pleased to offer a Livery Preferred Provider Opportunity (PPO) for clinic trips being arranged for eligible NYS Medicaid enrollees to/from 7 facilities in the NYU Langone Health System, located in Brooklyn. See Figure 1 for the complete NYU Zone 3 facility list.

The PPO includes providing non-emergency Livery transportation for Medicaid enrollees' round trip and discharge trips.

There will be one transportation provider (TP) selected to fulfill the responsibilities associated with this PPO. The selected TP will receive a flat rate per enrollee for each trip leg the enrollee is transported. The PPO rate is inclusive of all services associated with the defined modality in accordance with DOH Policy.

The selected TP must be an approved NYS Medicaid Transportation Provider and comply at all times with New York State's rules and regulations.

Interested TPs must complete and submit the attached proposal by the required due date.

Please note MAS reserves the right to contact the TP for clarification on questions regarding their PPO application.

A three-month trip sample is provided for your review, however, please understand this data does not guarantee future trip volume.
