**To: All Taxi/Livery Transportation Providers**  
**From: MAS on behalf of NYSDOH Bureau of Medicaid Transportation**  
**Subject: Taxi/Livery Preferred Provider Opportunity**

---

The New York State Department of Health (DOH) is pleased to offer a Taxi/Livery Preferred Provider Opportunity (PPO) for trips being arranged for eligible NYS Medicaid enrollees to/from Health + Hospitals/Gotham Health & Post-Acute Care Taxi/Livery Micro-Network 3. (For listing of facilities, please reference the Taxi/Livery Micro-Network 3 Facility Transport Summary)

There will be one transportation provider (TP) selected to fulfill the responsibilities associated with this PPO. The selected TP will receive a flat rate per enrollee for each trip leg the enrollee is transported. The PPO rate is inclusive of all services associated with the defined modality in accordance with DOH Policy.

The selected TP must be an approved NYS Medicaid Transportation Provider and comply with New York State's rules and regulations. Due to the current pandemic multi-loading and/or grouped rides are currently prohibited by NYS Department of Health. In addition, TP's are expected to follow all routine cleaning and sanitizing protocols listed on the DOH website. This is to ensure safe and healthful transport conditions for all NYS Medicaid enrollees.

Interested TPs must complete and submit the attached proposal by the required due date.

Please note MAS reserves the right to contact the TP for clarification on questions regarding the PPO application.

A three-month trip sample is provided for your review, however, please understand this data does not guarantee future trip volume.
