## **Who can get Medicaid Transportation?**

Medicaid Enrollees that are eligible for Medicaid transportation may get transportation to and from most medical appointments. However not every Medicaid Enrollee is eligible for Medicaid transportation. Call Medical Answering Services (MAS) to find out if you are eligible for Medicaid transportation.

## **How do I schedule Medicaid Transportation?**

You can call MAS to schedule transportation, send a fax or get a user name and password to set up Medicaid transportation for you and your family at [www.medanswering.com](http://www.medanswering.com). Additionally your medical provider or social service caseworker can contact MAS to schedule Medicaid transportation for you.

All Medicaid trips should be called in at least three (3) days in advance. All trips using public transportation should be called into MAS five (5) days in advance. If you need to go on a long distance trip, please call MAS seven (7) days in advance. Urgent or last minute trips can be requested, but please understand last minute trips requests are difficult to accommodate, especially in rural areas.

When you call to schedule a ride MAS will ask you questions so we can identify who the trip is for. Have the following information handy;

- Medicaid Enrollee's name, birth date and Medicaid identification number; and
- current telephone number and address .

## **What level of transportation will I get?**

Medicaid Enrollees are expected to go to their medical appointments the same way that they travel to other places on a daily basis. We will set up transportation for you based on your abilities and medical needs.

Generally, Medicaid reimburses for personal vehicle mileage, public bus/mass transit, taxi, ambulatory, wheelchair, stretcher, non-emergency ambulance, commercial air, bus and rail transportation.

## **Scheduling your trip**

To set up your trip, MAS will ask for:

- the type of medical appointment that is being scheduled;
- the name of the doctor, nurse practitioner or physician assistant that you see on a regular basis or we may need the name of the medical provider you are going to see;

- the date and time of your appointment;
- the address or name of the facility where you need to go; and
- whether any special instructions or additional information necessary to get you to and from your medical appointment.

**Will Medicaid pay for long distance transportation out of town?**
